

Tax Return Information and Local Sales and Use Tax Changes

Serving the People of Washington

Local sales/use tax changes

Effective February 1, 1999, Island County will increase the local sales tax rate by one-tenth percent (.1%). The rate for all locations will increase to 8.0%. The increase will be used to fund juvenile detention facilities and jails.

Effective March 1, 1999, Clark County will increase the local sales tax rate by one-tenth percent (.1%). The rate for all unincorporated areas (0600), Camas (0602), Vancouver (0605), and Yacolt (0607) is 7.7%. The rate for Battle Ground (0601), La Center (0603), Ridgefield (0604), and Washougal (0606) is 7.9%. The increase will be used to fund criminal justice programs.

Transient lodging taxes

Businesses providing transient lodging for less than 30 days must report **Transient Rental Income** under "Lodging Taxes" on page 2 of the Combined Excise Tax Return. Examples of such businesses include hotels, motels, trailer camps, RV parks, and tent campgrounds. Unlike the special hotel/motel tax and the convention and trade center tax (see below), the transient rental tax is not an additional tax. Cities and counties imposing the transient rental tax receive a distribution from the state portion of the retail sales tax.

Special hotel/motel taxes are computed *in addition to* the retail sales tax and, when due, the regional transit authority (RTA) tax. For lodging businesses located in King County, special hotel/motel taxes are computed *in addition to* the convention and trade center tax, retail sales tax, and RTA tax. King County lodging businesses with 60 or more units must also collect the additional convention and trade center tax. Use "Lodging Taxes," page 2 of the tax return to report the special hotel/motel tax and the **convention and trade center tax**. The "Local Sales and Use Tax Rates" table, pages 3 and 4, now identify locations imposing special hotel/motel taxes and the trade center tax, location codes, and tax rates. These rates no longer appear on page 2.

Special hotel/motel tax changes

NOTE: There may be additional changes to special hotel/motel taxes which do not appear here because they were not received before the printer's deadline. Any hospitality businesses affected by such changes will have been directly notified by mail or telephone.

Effective January 1, 1999, the following cities/counties have imposed the special hotel/motel tax:

Clallam County (Unincorporated Areas)	2%
Issaquah (King County)	1%
Lewis County (All locations)	2%

Effective February 1, 1999, the following cities/counties have imposed the special hotel/motel tax:

Blaine (Whatcom County)	1%
Bothell (King County)	1%

Chehalis (Lewis County)	2%
Kent (King County)	1%
Port Townsend (Jefferson County)	2%

Effective March 1, 1999, the following cities/counties have imposed the special hotel/motel tax:

Kitsap County (Unincorporated Areas)	2%
Redmond (King County)	1%
Shelton (Mason County)	2%

Did you remit RTA tax?

If you remit the 0.4% sales or use tax for the Regional Transit Authority in King, Pierce and Snohomish Counties, please remember to report the tax in the lower left corner of page 1 of the Combined Excise Tax Return.

Growing Technology in the Department of Revenue

The Department of Revenue has started using a geographic information system to identify every address with its location code and tax rate. The project is in response to provide taxpayers request for an easier more efficient way of determining their location code and tax rate. This is most important to those taxpayers using multiple location codes. The system uses the internet with an address lookup screen. Just by inputting the desired address, you will receive the location code, tax rate, RTA yes/no, and whether the location is on Native American land. There is an option to download one or more entire counties to develop your own database. In the near future we will have the capability to locate your address on a map. We plan to refresh and update the information in the address lookup page every quarter. We hope this makes your tax job easier.

E911 Address Changes

Due to the addition of many "Enhanced 911" Emergency Telephone systems in Washington State, some counties in our state have been receiving new mailing addresses from the US Postal Service. Please be advised that the Department of Revenue may not have been given these address corrections.

If your mailing address has changed due to a "911" system update within the past 18 months and the department has not updated your address, we ask that you let us know of the change. You can change your address using any of the following options:

1. Calling the Telephone Information Center at 1-800-647-7706.
2. Using the change of address section of your Combined Excise Tax Return form, located in the upper left-hand portion of the return; or
3. You can notify us of account information changes online at: <http://www.wa.gov/dor/cgi-bin/ubi.cgi>

Reminder of Litter Tax Change

Effective January 1, 1999, litter tax is due with each return rather than on the final return of the year. Thus, persons who complete the monthly Combined Excise Tax Return will report and pay litter tax each month starting with the January 1999 tax return. Persons completing the quarterly tax return will report and pay litter tax each quarter starting with the Quarter 1, 1999 tax return. Persons completing the annual tax return will continue to report and pay litter tax on the annual return.

To accommodate the reporting change, the tax return will also change. For reporting periods occurring after January 1, 1999, the line for reporting litter tax will appear on page one of the tax return in the lower left-hand corner.

Account Number Change Affects EFT Taxpayers That Use The ACH Credit Method

The Department's bank that is responsible for handling EFT payments has recently merged with another bank. Due to this merger, the Department's account number used for receiving electronic payments has been changed.

Taxpayers using the ACH Credit Method for payment transfer need to begin using the new account number as soon as possible. ACH Credit users will need to contact their financial institution for assistance with any changes to software used to transmit their payments to the Department's bank. **The correct account number is #153 501 701 202.** The transit routing number did not change. It is still #125 000 105. Effective April 1, 1999 all payments using the old account number will be returned to the initiating financial institution, which could cause a liability for late payment penalty.

This change is *effective January 1, 1999*, for litter tax due for 1999 reporting periods. It does not affect payment of litter tax due for 1998 reporting periods.
